Armchair seat cushion: removable, in recycled and biodegradable polyester fibre with stress resistant polyurethane insert, fixed foam covering in waterproofed polyester.
Armchair seat cushion upholstery: removable and available in the outdoor fabrics listed here below.
Notes:
As the weave in Twiggy cord lets part of the stainless steel structure at sight, both the structure and the base are available gloss varnished only and in the same colour.
This product can be used also in interior environments.
We advise to use a loose cushion for enhanced comfort and a Winter Set protection cover.
