

La Plus Belle

by Philippe Starck , 2019

Plus Belle is a mirror with incorporated light sources. The aluminium frame is available in various finishes (polished gold, polished copper, polished bronze and brill fumé, and houses high chromatic rendering led light sources (CRI 95) and an optical opal silicone diffuser. The mirror is made of 6 mm extra-clear glass, with a layer of safety and aesthetic film to the rear, and it is fixed to the frame by means of a polycarbonate glazing bead. The Plus Belle mirror is hung from the wall by means of an aesthetic effect hook with a dual magnet fixing device to keep it in position. It is powered by means of a wall-mounted power supply unit or IEC cable and connector socket. The optic sensor command fitted to the mirror or remote 0-10/1-10 V – PUSH – DALI control can be used as a dimmer to adjust the light intensity by 10% to 100% in either direction.

Mounting	Wall
Environment	Indoor
Light sources available	560 x TOP LED 58W total 5300lm 2700K CRI95
Emergency	Without
Switching	Optical switch
Power	58W
Battery	No
Supply included	No
Materials	Aluminum
Colors	F3680064 - Polished Aluminium F3680044 - Gold F3680015 - Copper F3680046 - Bronze
Certificate	CE IP20
