Meshmatics

RICK TEGELAAR

Whoever sets eyes on the Meshmatics Chandelier will never guess what hides behind its sophisticated appearance. Rick Tegelaar elevated the nature of humble wire netting by developing a machine and a set of tools to model it with accuracy. The full potential of this thin and flexible material is stretched and captured within three layers of beauty.

Detailing

Due to its transparent material, the Meshmatics chandelier emits an elegant radiant, soft glow and does not create a visual block.
