Portofino

design : V. Van Duysen

Folding stool which can be turned into a side table using a dedicate tray.
The Portofino series also includes a deck chair, a XL deck chair, a chair with armrests and a little armchair with folding structure, an armchair, a sofa and dining tables with fixed structure.

Structure: natural or dark dyed locust heartwood treated with an industrial acrylic wax varnishing. Plastic spacers.
Upholstery: removable and available in Madras, Tamil, Poppy or Herbier fabric.

The tray code B95E is available with border in natural locust heartwood and top in white varnished aluminium or with border in dark dyed locust heartwood and dark gray varnished aluminium top.

Notes:
Black locust heartwood can have a very different colour from batch to batch, going from a lighter and warmer shade to an orange one or even to a much more marked one, tending to dark brown.

This product can be used also in interior environments.

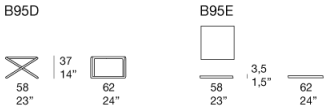

We advise to use a Winter Set protection cover.

Awards: the Portofino series has been awarded the GOOD DESIGN AWARDS 2016 in the Furniture category.
