Portofino

design : V. Van Duysen

Armchair and sofa with fixed structure.
The Portofino series also includes a stool, a deck chair, a XL deck chair, a chair with armrests and a little armchair with folding structure, and dining tables with fixed structure.

Structure: natural or Aurea-brown dyed sassafras heartwood, treated with an industrial varnishing with opaque and transparent acrylic wax; seat frame in stainless steel provided with elastic belts. Plastic spacers.
Upholstery: removable and available in Madras or Tamil fabric.

Seat and back cushions: removable, in recycled and biodegradable polyester fibre with stress resistant polyurethane insert, fixed foam cover in waterproofed polyester.
Seat and back cushions upholstery: removable and available in the outdoor fabrics listed here below.

Loose cushions are recommended for complete seating comfort.

Loose cushion: removable, in recycled and biodegradable polyester fibre, fixed foam cover in waterproofed polyester.
Loose cushion upholstery: removable and available in the outdoor fabrics listed here below.

Notes:
This new version of the Portofino seating, featuring a fixed structure in sassafras heartwood, is more compact than the traditional one with fixed structure in black locust or iroko heartwood. The density of the padding of seat and back cushions makes them softer and more welcoming.

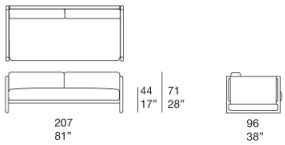

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.

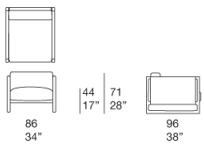

Awards: the Portofino series has been awarded the GOOD DESIGN AWARDS 2016 in the Furniture category.
