Salina

design : CRS

Chair with armrests and lounge chair.

Structure: natural sassafras wood treated to be oil and water repellent with a water-based finish; cross-bar made of stainless steel AISI 316, matt-varnished in avorio colour. Plastic spacers.

Upholstery: crafted with two layers of Brio, Wara, Poppy or Herbier.

Notes:
The two layers of fabric are strengthened by an internal layer of polyester net and a thin layer of three-dimensional polyester fabric that guarantees the necessary comfort.

The upholstery is available with or without vertical striped kilting.

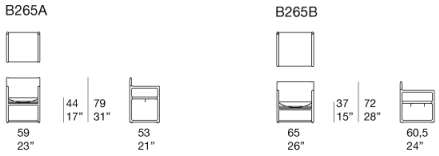

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
