Smoke Chandelier

MAARTEN BAAS

Furniture finished with fire. The beauty and character of burned wood is now captured in a long lasting material. By creating the strange sensation of a burnt chandelier Maarten Baas interpreted his fascination for the element fire with a groundbreaking approach. Capturing the burning flames into the solidity of wood. Each Chandelier is unique due to this exceptional production process. Just like the Phoenix, the Smoke objects are reborn from their ashes, gaining new vitality and beauty in a very unusual way.

Detailing

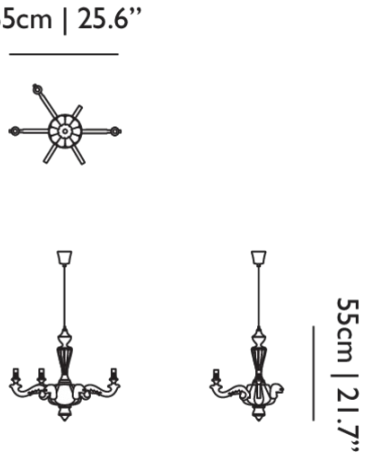

The enchanting texture of burnt wood. Each item from the Smoke series share the unfamiliar and untamed finish that is characterized by fire.
