replacement/ repairs	please contact CTO Lighting
warranty	1 year from date of delivery
certification	CE

COMPONENTS

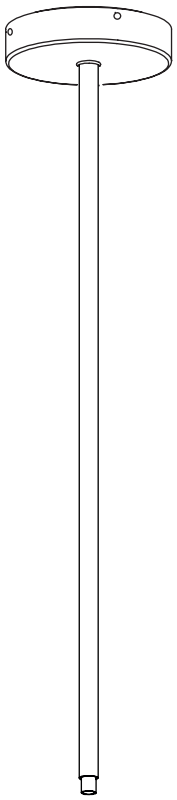

1 x ceiling plate

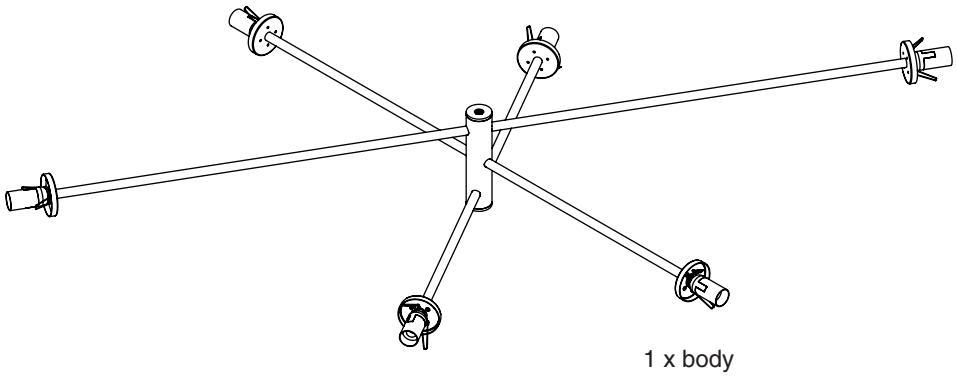

6 x 150mm glass shade

4 x M4x12 screws

1 x ceiling plate

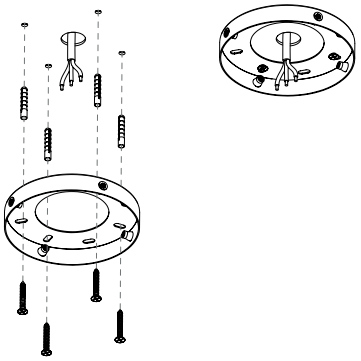

1 x body

BEFORE INSTALLATION

- Installation **must** be carried out by a qualified electrician.
- A minimum of **two people** is required to install this pendant.
- Check that the ceiling fixing and components are suitable and strong enough to support the weight of the pendant.

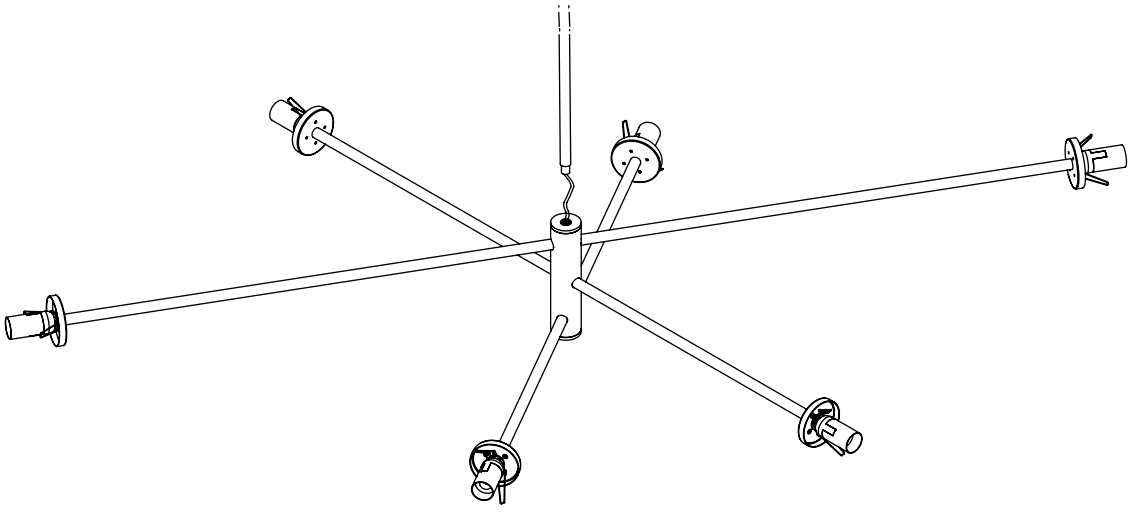

INSTALLATION SUMMARY

1. Remove contents from the box.
2. Make wiring connections
3. Fit drop rod
4. Hang pendant
5. Fit Lightbulbs and then glass shades

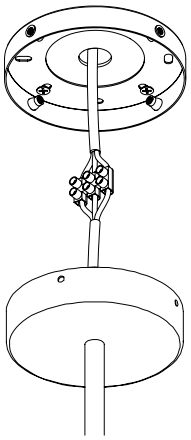

1. Fix the ceiling plate to the ceiling.
Ensure that suitable screws are being used
for the surface you are mounting to.

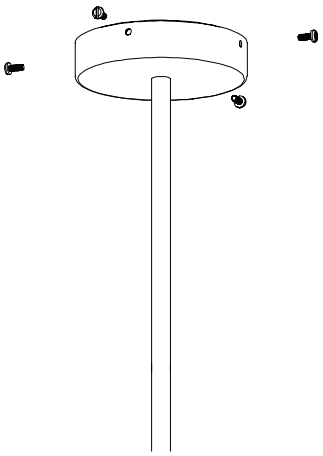

2. Feed the power cable from the drop-rod into the ceiling box.
Screw the drop rod to the central hub of the pendant.

4. Raise the pendant towards the ceiling and make the electrical connections.
Further raise the pendant, closing the ceiling box to the ceiling plate and secure with the provided screws.

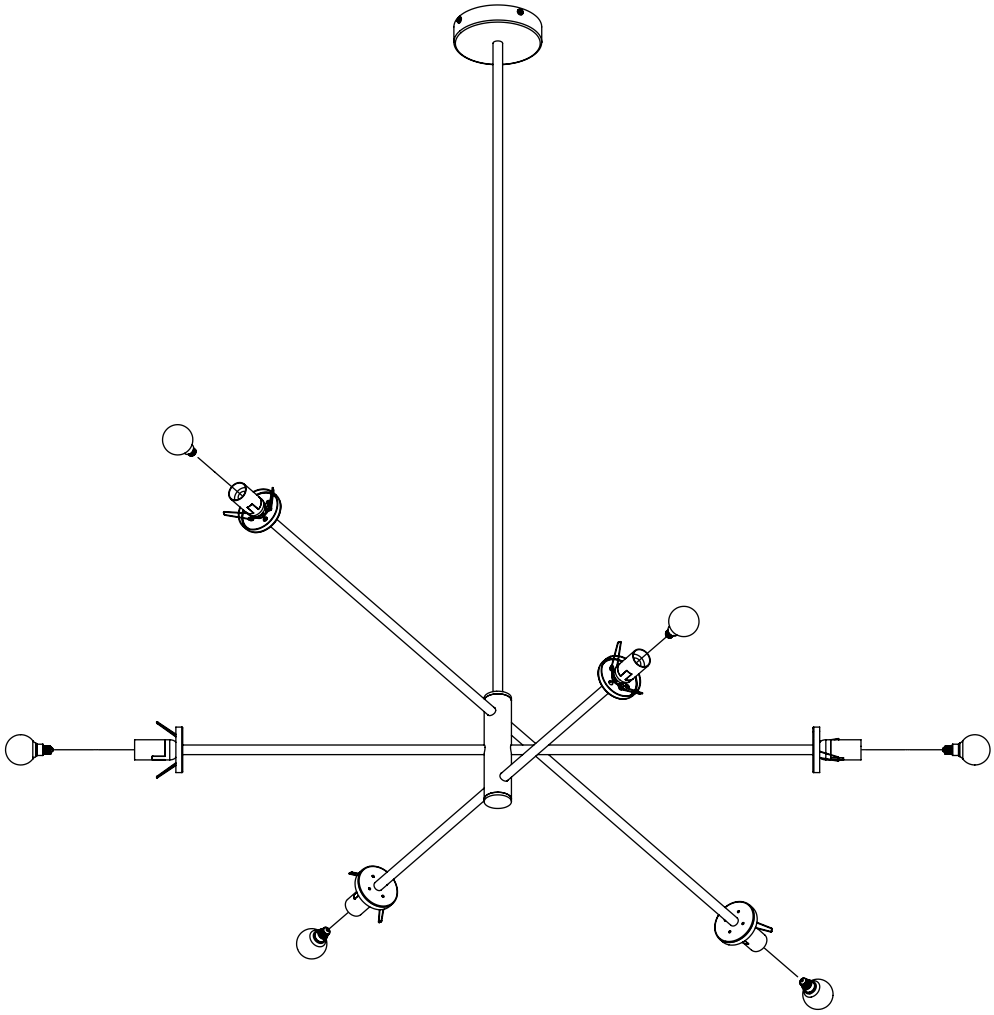

NOTE: Ensure that the weight of the pendant is fully supported during the electrical installation.

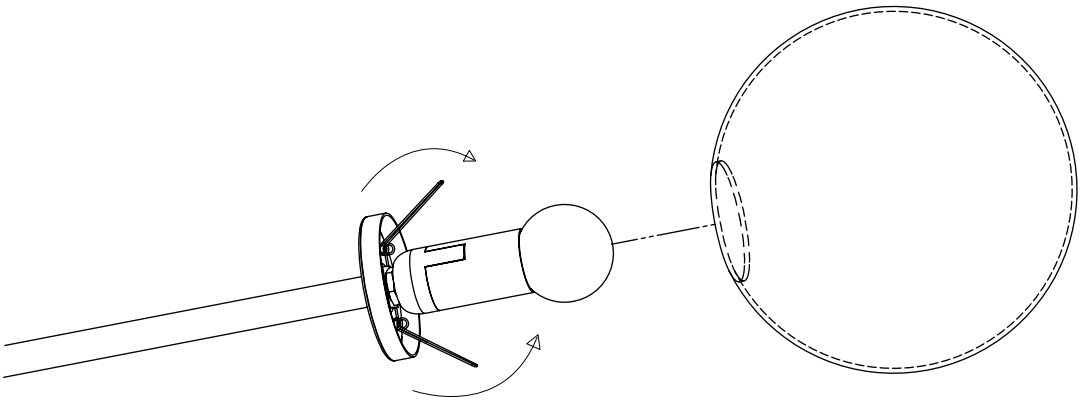

---

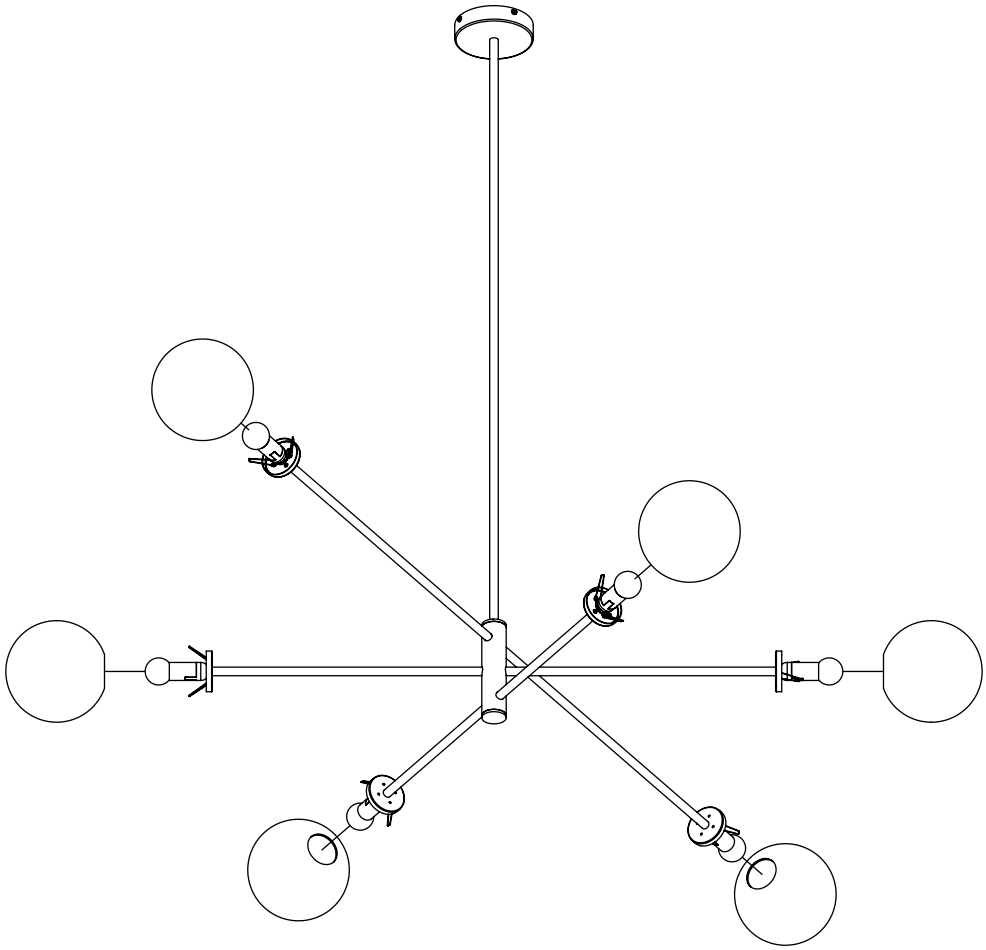

5. A. Fit the bulbs (not supplied) to the lamp-holder.

B. Fit the glass shades to the pendant body.

Pinch the spring clips inwards and hold, slowly feeding the glass shade over the spring clips. Do not release the glass shades too quickly.
