Welcome

design : F. Rota

Modular seating system consisting of elements with armrest, central and corner elements, chaise longue and pouf.

Structure: cataphoresis treated and varnished steel, plastic spacers.
Padding: stress-resistant, differentiated expanded polyurethane, recycled and biodegradable polyester fibre, fixed foam cover in waterproofed polyester.
Upholstery: removable and available in the outdoor fabrics listed here below.

Notes:
Coupling system in steel.

Welcome elements can be integrated with the Frame side tables code B18JK and B18K and the elements in the Orlando series.

This product can be used also in interior environments.

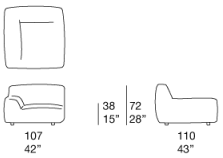

We advise to use a Winter Set protection cover.
