Gople Portable

BIG - Bjarke Ingels Group

DESCRIPTION

With Gople portable, everyone can be the architect of light in their own space, wherever it may be. Gople's characteristic diffuser is made of plastic in order to stand up to use in a wide range of spaces and situations.
Long running times unplugged from the mains (up to 32 hours) go hand-in-hand with rapid recharging times. The soft, diffused light can be adjusted to 3 different brightness settings. It is perfect for everyday lighting scenarios in personal spaces, but also for more social moments in public spaces.
