Description

Despite its small size, the mirror valet tray packs a lot of patterns and textures into its frame. Rich colors and luxurious gold-leafing are enclosed neatly within slim edges, framing each design like a work of art. The valet tray's compact size allows for versatility. Placed in the hallway, it is a key holder. In the bathroom, it is a jewelry tray. On the coffee table, it is a decorative item. Anywhere in the house, it's a stylish accent piece.
