Glo-Ball Basic 1

Designed by Jasper Morrison, 1998

Halogen - 150W

Table lamp emitting diffused light. Features a diffuser made of externally acid-etched, hand-blown, flashed opaline glass with a die-cast aluminium, alodine-plated threaded ring nut. Base in 30% fibreglass-reinforced, injection-moulded polyamide. Diffuser support in painted, die-cast aluminium. Equipped with an electronic dimmer on the power cable for 0–100% light adjustment.

The original design in the Glo-Ball series, Glo-Ball Basic was created by English designer Jasper Morrison to capture the quiet radiance of a full moon and the otherworldly magic of the night. With its soft, spherical form, Glo-Ball Basic maximises the diffusion of light, casting an even, ambient glow. The design aligns with Morrison's Super Normal philosophy of creating understated yet refined forms to enhance everyday spaces.

Main specifications

EAN	8059607002346
Mounting	Table
Environments	Indoor dry location
Light source type	Bulb
Light sources included	No
Lamp category	Halogen
Lamp holders	E27
Ilcos	HSGS
Number of lamps	1
Power (W)	150

Physical

Colour	White
Length (mm)	330
Cord colour	Black
Cord length (mm)	1900
Net weight (kg)	2.58
Package volume (m3)	0.07
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.
