IC S3 10 Anniversary

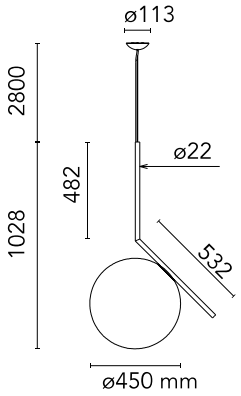

Designed by Michael Anastassiades, 2024

LED retrofit - 25W

Suspension lamp emitting diffused light. Features a 24-carat gold-plated frame with a blown opal glass diffuser. Each piece is signed by the designer.

To mark the 10th anniversary of the IC Lights series, Michael Anastassiades and Flos present a special edition of the IC Lights suspension lamp in 24-carat gold, chosen as a symbol of eternity. Numbered and signed, this edition celebrates a decade of a contemporary classic. First designed in 2014, the IC Lights collection explores balance, movement and identity through minimal, poetic forms inspired by the dexterity of a contact juggler and the visual tension of a sphere poised in perfect equilibrium. The 10th-anniversary edition pairs the collection's industrial design language with a refined, celebratory finish.
