F1920009 White

My Sphere

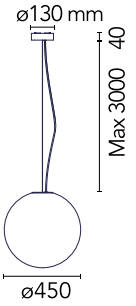

Designed by Michael Anastassiades, 2023

LED retrofit - 30W

Suspension lamp emitting diffused light. Features a white glass sphere designed for omnidirectional light emission and visual comfort. Brightness adjustable from 10–100%. Canopy with integrated electronics to support PUSH, 1–10 V and DALI dimming systems sold separately.

Designed by Michael Anastassiades, My Sphere is defined by its pure spherical form and timeless simplicity. Its restrained geometry lends an elegant architectural presence to a wide variety of interiors. My Sphere is also available as part of the My Circuit system, introducing a classic form into customisable lighting compositions.

Are you a professional and your project needs consulting and support?

Main specifications

EAN	8059607063699
Mounting	Suspension
Environments	Indoor dry location
Light source type	Bulb
Light sources included	No
Lamp category	LED retrofit
Lamp holders	E27
Number of lamps	1
Power (W)	30

Physical

Colour	White
Cord colour	White
Cord length (mm)	2700
Canopy length/diameter (mm)	130
Canopy height (mm)	40
Net weight (kg)	6.5
Package volume (m3)	0.2
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.
