String Light - Sphere head - 12mt cable - CASAMBI Ready

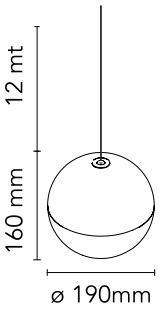

Designed by Michael Anastassiades, 2014

21W - 1515lm - 2700K

Suspension lamp emitting diffused light. Varnished die-cast aluminium body coated with clear soft-touch varnish and an optical diffuser in opal polycarbonate. The suspension system (12 or 22mt long) includes a Kevlar-reinforced coaxial cable. Available with wall/ceiling connection or floor switch in black polycarbonate. The on/off switch features an electronic, optical and touch-dim mechanism or a Casambi Ready version with touch dimmer included. Must be paired with either the floor switch or ceiling/wall rose (sold separately).

Designed by Michael Anastassiades in 2014, String Light transforms the cable into a defining design element, allowing users to shape the lamp's path around their own environment. It draws quiet, architectural lines through space, inspired by overhead power lines and the festive lights strung across Mediterranean squares. Poetic yet precise, it reflects Anastassiades' pursuit of purity through reduction, offering flexible, atmospheric light for modern living.

Main specifications

EAN	8059607042168
Mounting	Suspension
Environments	Indoor dry location
Light source type	LED
Light sources included	Yes
LED type	LED array
Power (W)	21
Lumen Output (lm)	1515

Physical

Colour	Black
Length (mm)	190
Cord colour	Black
Cord length (mm)	12000
Net weight (kg)	1.35
Package height (mm)	300
Package width (mm)	300
Package length (mm)	300
Package volume (m3)	0.03
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

Schematic light drawing

Luminous flux luminaire
1515 lm

Photometric

Lighting type	Total
Light distribution	Roto symmetric
CCT (K)	2700

Electrical

Insulation class	III
Main voltage (Vac)	48
Forward voltage (V)	48
Power supply	Remote excluded
Power supply type	Electronic 48V
Batteries inside	No
