Viscontea

Designed by Achille and Pier Giacomo Castiglioni, 1960

Halogen - 100W

Suspension lamp emitting diffused light. White powder-coated steel internal structure sprayed with a unique Cocoon resin to form the diffuser and protected by a transparent spray finish.

Designed in 1960 by Achille and Pier Giacomo Castiglioni, this delicate yet impactful suspension lamp features the duo's signature Cocoon technique, in which a steel frame is sprayed with a soft, web-like resin. The result is a soft yet durable surface that diffuses a warm, ambient glow. Its soft, organic form was inspired by nature, while the name nods to the grace and elegance of the viscountess.
