

### Y Chair

A product which balances the three most important requirements demanded of a contract chair. Durability, a striking silhouette and an ergonomic form.

Process	The Y Chair's expressive shape is injection moulded in glass-reinforced nylon (PA6-GF30) which means that the material can be recycled, is fatigue resistant, and absorbs shock and load through its flexibility.
Year of Design	2013
Material	Glass Reinforced Nylon
Sled Base Product Code	YC01SLBL/ YC02SLWH
Type	Chair
Colour	● Black    White
Cleaning Instructions	Use a soft damp cloth to clean the parts only, no abrasive agent. Assemble on a soft cloth to avoid scratching the frame.
