

SØL ROUND

Designed and Handmade by Oliver Höglund

Molten hot glass shaped and hand-blown at one thousand degrees celsius. A flat disc shape made with quality Swedish clear glass to dress a defused pineapple LED bulb.

The defused LED bulb shines and refract off the contours of the SØL round wall light to give a unique one of a kind lighting design.

The free formation design ensures that no two pieces are the same, giving you a truly aesthetic piece for your space.

Hand Made in Currumbin, Australia.

TECHNICAL INFO

Type

Interior Use Only

Dimensions (Approx.)

Glass

Height: 140 - 200mm

Thickness: 15 - 20mm

Wall Mount

Diameter: 100mm

Height: 15mm

Materials

Glass: Clear

Wall Mount: Matte Black / White / Brass Finish

Driver is included

Input Power

100 - 240VAC

Output Voltage

4V DC Driver (350mA Constant Current)

Power Consumption

1W

Colour Temperature

2700K / 3000K / 4000K

Lumen Output

150 (Brighter options available)

Dimming

Single Use - Non-Dimming

Five or more cluster - Dimmable
