COCONETTE AP

Lampade a parete, semplici ma sofisticate, proprio come il nome che portano. Coco abbinata la struttura cromata ad uno specchio molato mentre Coconette è caratterizzata dalla finitura bronzo spazzolato chiaro opaco. Entrambe diffondono la luce attraverso un paralume a tre facce in tessuto, nei propri colori e versioni. Disponibile anche la versione Coco AP Mini IP44 con paralume in tessuto impermeabile e con fonte luminosa protetta per garantire l'utilizzo nelle sale da bagno.

Wall lamps, simple but sophisticated, just like their name. Coco combines the chromed structure with a bevelled mirror, while Coconette is characterised by a satin light bronze finish. They both spread the light through a three-sided fabric shade in their own colours and versions. The Coco AP Mini IP44 version is also available with a waterproof fabric shade and a protected light source to guarantee the use in bathrooms.
